I am trained as EU leader and have served. It looks as if I'm available from as early as the 14th through the 28th, when I believe I go on response duty.

But are you available? Dates that work for you?

House trained is good. But at least in the mountains gravity can be your friend...

Newhart is trained and has been an environmental unit leader. Also house trained.

All,

Region VIII has requested a status on the availability of ERT. Specifically, they would like to know who of our team members is trained as Environmental Unit Leader and Situation Unit Leader. This is an availability request only.

**Please indicate to me with cc to MaryBeth Smith the following:**

- 1) Whether you are trained/experienced in serving as either or both an Environmental Unit Leader or Situation Unit Leader
- 2) Your dates of availability through the end of August 2015

**Please do this today** at your earliest convenience.

Thank you,

Marc
